Churchwide Announcements & Prayer Requests

Western District Conference: Give thanks for the WDC Annual Assembly this weekend and pray that we would all be open to God’s transforming work as we join together in community.

Mennonite Church USA: MC USA responded to the July 13 assassination attempt with a statement that called for prayer. Read the statement here: mennoniteusa.org/prayer-assassination

Mennonite Church USA: Season One of MC USA’s “Lead/Follow” podcast for pastors and leaders is now complete! Watch all 10 episodes on YouTube or listen on Apple or Spotify! Watch or listen here: mennoniteusa.org/lead-follow View the PDF here: mennoniteusa.org/leadfollow-pdf2

Mennonite Mission Network: Sibonokuhle Ncube, one of Mennonite Mission Network’s regional directors for Africa and Europe, is spending the summer on the African continent. Pray for her as she gets acquainted with African partners and builds on the agency’s more than 100-year-old legacy.

Mennonite World Conference: Migration to the USA is negatively impacting those who stay, especially among younger people. Puerto Rico churches are becoming a retirement community for those who spend their working years in the USA and retire “back home”. The others struggle to keep their young leaders “at home” when they are inspired by better opportunities elsewhere.

Mennonite World Conference: Pray for the social and economic needs in Cuba. There are fuel and energy shortages resulting in blackouts. Increasing food prices are a strain especially for pensioners. Many feel hopeless about the state of the country, and some hope to emigrate for a better life. May God continue to touch the hearts of all those who help us unconditionally and keep supporting Cuba.
