Call to Worship *The Work of Christmas*

Howard Thurman

Leader: When the song of the angels is stilled,
When the star in the sky is gone,
When the kings and princes are home,
When the shepherds are back with their flock,
The work of Christmas begins:

**People: To find the lost,
To heal the broken,
To feed the hungry,
To release the prisoner,
To rebuild the nations,**

All: To bring peace among others. To make music in the heart.

Mennonite Church USA: In his latest blog, MC USA Executive Director Glen Guyton reflects on the tensions, opportunities and faithful discernment at the heart of Reimagining MC USA. As we look toward the next decade, he invites us to consider a deeper question: What must endure for our shared witness to thrive? Mennonite Disaster Service: 2026 is coming soon! We're already looking ahead to the 2026 spring & summer seasons! We need to know when you are available to serve with MDS so that we can determine when and where to run projects. Your response to this appeal directly impacts the number of projects that we plan to operate. The summer months present you with a unique opportunity to help MDS facilitate service opportunities for youth & young adults, nurturing the value of service and helping to teach them new skills!

This is not an official list, but the following projects locations could possibly operate at some point during some of the spring/summer months (April-September). Again, these locations are possibilities, and none of them are confirmed at this time: West Asheville, North Carolina; Perry, Florida; Pasadena, California; Spartanburg, South Carolina; Kansas Cabinet Shop (Family Project); Denare Beach, Saskatchewan.

Mennonite Mission Network: Although 2025 is ending with much suffering and violence in our communities and around the world, join Mennonite Mission Network in praying that we will not tire of proclaiming our hope in Jesus, who has overcome evil and injustice. May we continue to “be the Gospel” wherever we find ourselves.

Mennonite World Conference: Please pray that the Mennonite and Brethren In Christ Churches in India show the love of Christ to those persecuting them. In many places, the Christians are being opposed by hardcore groups. Please pray especially for Chhattisgarh, where every Sunday churches are being attacked. Pray for new believers to be strong in their faith in Christ and for the churches to support them in the difficult situations. And pray that God will change the hearts of those who persecute us and that they will come to know God’s love.
